Re: Freedom of Information Act (FOIA) Request
Number 10-RIN-01673-94

Dear Mr. Krell:

This letter is in response to your Freedom of Information (FOIA) Request for Pasco Sanitary Landfill, FOIA Number 10-RIN-01673-94, dated December 8, 1994.

In a telephone conversation with you on December 19, 1994 Lynda Priddy of my staff explained that the Washington State Department of Ecology (WDOE) has been identified as the "lead" for Pasco Sanitary Landfill. As lead WDOE is not only conducting the investigation and remediation of the site but is also the decisionmaker for all activities at the site. The site file and administrative record and thus the information you requested about the site is in the possession of the WDOE. The Site Manager for the site is Guy Gregory. His telephone number is (509) 456-6387.

Ms. Priddy suggested that you contact Mr. Gregory for the information you requested. She also sent a FAX of your FOIA to Mr. Gregory. If you have any other questions, please call Ms. Priddy at (206) 553-1987. This concludes the EPA Region 10 response to FOIA request number 10-RIN-01673-94.

Sincerely,

for
